

PRODUCT BRIEF: NUTRILENS LAUNCH FLYER

Creative & Messaging Guidelines for Flyer Design

1. Project Overview

Product Name:	NutriLens
Tagline:	Eat well, Spend wise
Website:	nutrilens.site

2. Product Summary

NutriLens is an AI-powered food and meal companion that helps people eat healthy, balanced meals without stretching their budget. Instead of rigid diet restrictions or complicated calorie counting, NutriLens helps users understand their everyday home-cooked meals in simple, relatable language and builds realistic meal plans that match their exact food budget.

3. Brand Colors

Primary: Emerald Green (#059669 / #10B981) Freshness, wellness, smart growth	Accents: Mint Teal (#14B8A6), Crisp White (#FFFFFF), Dark Slate (#0F172A) Clean contrast & high readability
--	---

4. Core Features & What to Highlight

- **Budget-Smart Meal Planning:** Creates personalized daily and weekly meal plans based on the user's spending budget using accessible, affordable local market ingredients.
- **Snap & Understand (Instant Food Insights):** Users snap a photo of any meal (including cultural/local dishes) and get an immediate breakdown in clear, familiar, everyday language so they easily know what their food gives them.
- **Step-by-Step AI Cooking Assistant:** Interactive cooking guidance that walks users through preparing balanced, delicious meals at home with what they have.
- **Personalized to Your Health & Lifestyle:** Tailors suggestions to the user's age group, dietary preferences, and specific health goals.

5. Flyer Text / Content to Display

Logo: NutriLens
Headline: Eat well, Spend wise
Subtext: Smart AI meal planning tailored to your wallet and everyday food insights you can actually understand.
Key Points: • Budget-First Meal Plans: Eat nutritious meals designed to fit your exact food budget. • Snap & Know Your Plate: Understand your food in simple, everyday language. • Guided Home Cooking: Step-by-step directions to cook balanced, delicious meals easily.
